

# ADHE AKRAM AZHARI

## DATA MANAGEMENT & UI/UX DESIGNER

### ABOUT ME

I am an Informatics undergraduate at Telkom University who has an interest in working in Data Management and UI/UX Designer. I have good skills in doing data analysis, visualizing user flow into a tested and beautiful product design, and able to operate several software such as Figma, HTML, CSS, PHP, C, C++, Python, Mysql, and Sql. Through my experience and skills, I am ready to make a positive contribution to the company.
